Past Due Accounts

We feel confident that the flexibility of payment options available through FACTS will aid in on-time payment of tuition. However, if an account becomes more than 30 days delinquent, the student may not be permitted to attend school until the account is paid in full or until the family meets with a school administrator or member of the School Board's Finance Committee to agree upon a payment plan.

Billing Information

CCS has an agreement with FACTS Tuition Management Company to manage the collection of tuition, daycare, academic coaching, and sports fees. If you have any questions, please direct them to the school office.

Need Based

For families who cannot meet the monthly cost of tuition, awards will be based on a comprehensive, objective assessment of the family need conducted by FACTS for the upcoming school year. In addition to required documentation,* there is a \$25.00 application fee paid to FACTS. All personal information provided to FACTS is secured by FACTS and remains confidential.
