

PARENTS...WE NEED YOUR SUPPORT!

Dear Parents of Varsity and Jr. Varsity Sport Teams,

We are in need of a team Mom or Dad for each of our teams.

As a team parent, it would be your responsibility to contact the other parents of the students on the team to bring water, cups and a snack for each player for one game. We have available large coolers that they could put water in or if they work they could send bottled water, sodas, boxed drinks, or Gatorade for after the games. You must contact a different parent for each game. If there are more players than games, have some players bring the refreshments for practice days, so all players get a chance to participate.

It has been suggested by some parents last year that it would be nice to give the coaches a small remembrance at the end of the sport season. As a team parent, it would be your responsibility to collect for this gift. It has been suggested getting a gift certificate for them possibly to a mall or to a restaurant for dinner, or just give them a cash gift.

Remember you can be a team parent even if you work, as it mostly involves telephoning and making up a snack/drink schedule for the coach and other players so parents will know when to send drinks and snacks. Please tear off and return the bottom portion of this notice with the sports fees.

Thanks in advance for your help.
