

ST. JOSEPH SCHOOL

“Paving the Way” Brick Order Form

As a compliment to the latest phase of renovation to the school, St. Joseph Development has created a commemorative brick terrace. This “Foundation Terrace” surrounds the flag pole at the entrance to the school administration office and library. It is constructed with bricks, permanently engraved with the names or messages of donors who are now part of this lasting display. These bricks are a permanent reminder of your support of St. Joseph School.

Bricks can be engraved as a tribute to a favorite Presentation Sister, teacher, coach or volunteer. You may also include the name of your parents or grandparents as a “thank you” for their dedication to your education. The bricks are also a great way to honor a recent St. Joseph School graduate.

Bricks are available in two sizes and prices:

8” x 8” at a price of \$150 for up to six lines of text with 20 characters per line

4” x 8” at a price of \$100 with up to three lines with 20 characters per line

To be a part of this special opportunity, please complete the form below, cut at the dotted line and return to the school with your payment.
